

practice has become notorious for defeating the ends of justice and has resulted in unnecessary disputes among Chiefs' sons and traditional Headmen, who fear for their rights.

This, however, is a matter for you the Chiefs and you the people. If you tolerate deprivation of your lands and rights, then you will vote for Ntsu Mokhehle and his henchmen.

In conclusion, I would want to sound a word of warning to all Basotho and to all Christians in this Christian country in regard to Ntsu Mokhehle's attitude towards the Church. According to him the Church of God will be turned into stables or kraals for his animals. Ministers of religion will be regarded as spies for their own governments. Freedom of religion and worship will be at the mercy of his government. Therefore, every Christian - whatever his religious denomination - so long as he associates with the B.C.P., undermines and is an enemy of the Christian religion. Every vote by a Christian in support of Ntsu Mokhehle and his cohorts is a blow to the heart or a stab in the back. It is a vote to help turn the Church into a stable; it is an act of sabotage against the Christian religion.
