

South Africa, our people are able to find employment in various jobs there. This also applies to our traders who obtain stock for their shops or cafes from the wholesales in the Republic of South Africa. Our farmers obtain the agricultural implements, seeds and fertilizers from the Republic of South Africa. But now the question is whether you, the people, are fully aware of the fact that it is through this Government's policy of peaceful co-existence with the Republic of South Africa that you continue to enjoy these benefits ? Are you conversant with the factual information that people from Leribe crossing at border posts and Ficksburg bridge number, 25,000 per month. These people, as I have said already, go for shopping, medical attention and other necessaries. However, on the other hand, do you know that Gauda Khasu whom you have elected member of Parliament in this your Manka Constituency cannot cross to Ficksburg or any part of the Republic of South Africa as you do unless he had permission from Pretoria ? Are you aware of the fact that the same applies to Koenyama Chakela ? Has it also occurred to you that Leader of the Opposition, Mr. Ntsu Mokhehle, likewise, is unable to assist the thousands of Basotho workers in the Republic of South Africa or even those in transit to and from the Republic of South Africa merely because of his political shortsightedness ? If you are aware, as I hope some of you are, but will continue to blunder as you did in the 1965 elections here in Leribe, by again electing Gauda Khasu, Koenyama Chakela, Ntsu Mokhehle and their satellites, what sort of government will you have that is not for co-operation with the Republic of South Africa whereas, whether or not you like it, you must necessarily go to the Republic of South Africa for your requirements. Is it that you here at Peka or in the whole district of Leribe are the only ones who do not know that Gauda Khasu, Koenyama Chakela, Ntsu Mokhehle and their paper
