

"Makatolle" have been banned from the Republic of South Africa? And, has it not occurred to you that any Mosotho discovered by the government of the Republic of South Africa to be in anyway associated with, or supports in any manner the Congress Party immediately loses his job there? Or do they make you believe that when they lose their jobs because of their political affiliations with the Congress I am responsible for their dismissal?

It is time, my dear people, that you refrained from being fools are the heritage of the cunning". What single good has Ntsu Mokhehle and his Congress Party done for you except to sow seeds of dissension among you, a homogeneous Nation speaking one language and deriving their roots from the same stock? And you who work in the Republic of South Africa, when did Ntsu Mokhehle ever speak on your behalf to your employers except to estrange you from your employers and cause you lose your jobs through his abusive politics, his scornful and spiteful attitude towards what others are trying to do for you, while on the other hand, he and his Congressites do nothing for you.

Right here in the Manka Constituency, you know that you elected Khasu as your representative; you said he would carry your burdens; but, apart from the usual noises which jar on our ears, can you show me what he has done for you? I do not believe there is anything; but the things Government has been able to do for you in this very Constituency of Manka are so innumerable I cannot elaborate upon - it came to the rescue of the people here when they were faced with stark famine by bringing them mealie-meal and nutritious food. On the other hand, the People themselves, through the Self-Help Campaign, have been able to build dams, roads and successfully carried out other communal projects such as feeding of school-children and expectant mothers in hospitals. There is a water-supply tank at the Chief's place, Peka. Government will continue with these projects and schemes and assist the people whenever.../4.
